Bench vice KASPER - hand

- ◆ K 80
- ◆ K 100
- ◆ K 125
- ◆ K 135
- ◆ K 150

Fulfilment:

The vices Kasper are manufactured from grey cast iron and they are determinate for the locksmith, tool-making and repairing work shops. The strong and moveable part are one another carried on as a prism, which ensures the fast and exact guiding. The vice Kasper is equipped with hardened clamping jaws and a large anvill.
